

VSU Red Hots Dance Clinic

The VSU Red Hots are hosting a dance clinic for high school and college age dancers interested in trying out for the Red Hots this year or for years in the future. This is an opportunity to learn the skills, dance technique, and style of dance from the Red Hots. You will also learn routines the Red Hots have performed as well as routines that will be used during the tryout. The clinic is a great way to get the competitive edge necessary to have a more successful audition. It is not required to attend the clinic in order to try out for the team, but encouraged in an effort to help better prepare dancers.

Pre-registration is required and the form can be found below.
